**PROXY STATEMENT**

---

**Questions and Answers Regarding This Proxy Statement**

**When is the annual meeting and where is it located?** The meeting will take place on Wednesday, October 4, 2017, at 3:00 p.m., local time, at the offices of Costar Technologies, Inc., 101 Wrangler Drive, Suite 201, Coppell, Texas 75019.

**Who is soliciting your proxy?** The proxy solicitation is being made by the Board of Directors of Costar Technologies, Inc. (When we use the terms "we", "us", "our", "Costar" and "the Company", we are referring to Costar Technologies, Inc.) Proxies may also be solicited by our officers and employees, but such persons will not be specifically compensated for such services. Original solicitation of proxies by mail may be supplemented by telephone, telegram or other electronic means.

**When will the proxy statement be mailed to stockholders?** This proxy statement will first be mailed to stockholders on or about August 28, 2017.

**What is the record date and who may attend the annual meeting?** Our Board of Directors has selected the close of business on August 15, 2017 as the record date for determining the stockholders of record who are entitled to attend and vote at the annual meeting. This means that all stockholders of record as of the close of business on August 15, 2017 may vote their shares of common stock at the Annual Meeting. As of the record date, we had 1,523,791 shares of common stock outstanding. If your shares are held through a broker and you would like to attend, please bring a copy of your brokerage account statement reflecting your ownership of our shares on the record date or an omnibus proxy (which you can get from your broker) and we will permit you to attend the annual meeting.

**Who is paying for the solicitation of proxies?** We will pay all expenses of preparing and soliciting proxies. We may also reimburse brokerage houses, nominees, custodians and fiduciaries for expenses in forwarding proxy materials to the beneficial owners of shares of our common stock held of record. Although we have not yet done so, it may retain a firm to assist in the solicitation of proxies in connection with the annual meeting. We would pay such firm, if any, customary fees, which we expect would be no more than \$10,000 plus related expenses.

**Who may vote at the annual meeting?** If you are a holder of common stock as of the close of business on August 15, 2017, you will have one vote for each share of common stock that you hold on each matter that is presented for action at the annual meeting. If you have common stock that is registered in the name of a broker, your broker will forward your proxy materials and will vote your shares as you indicate. You may receive more than one proxy card if your shares are registered in different names or are held in more than one account.

**How do you vote?** Sign and date each proxy card you receive and return it in the prepaid envelope. Stockholders who hold their shares through a bank or broker can also vote via the Internet if this option is offered by the bank or broker. Any stockholder may revoke his or her proxy, whether he or she votes by mail or the Internet, at any time before the annual meeting by written notice to such effect received by us at the address set forth above, attn: corporate secretary, by delivery of a subsequently dated proxy or by attending the annual meeting and voting in person.

**How will your shares be voted?** All properly completed and unrevoked proxies that are received prior to the close of voting at the annual meeting will be voted in accordance with the instructions made.

Brokers, banks, or other nominees that hold shares of common stock in "street name" for a beneficial owner of those shares typically have the authority to vote in their discretion if permitted by the stock exchange or other organization of which they are members. Brokers, banks, and other nominees are permitted to vote the beneficial owner's proxy in their own discretion as to certain "routine" proposals when they have not received instructions from

the beneficial owner, such as the ratification of the appointment of RSM US LLP as the independent registered public accountant of the Company for the fiscal year ending December 31, 2017. If a broker, bank, or other nominee votes such “uninstructed” shares for or against a “routine” proposal, those shares will be counted towards determining whether or not a quorum is present and are considered entitled to vote on the “routine” proposals. However, where a proposal is not “routine,” a broker, bank, or other nominee is not permitted to exercise its voting discretion on that proposal without specific instructions from the beneficial owner. These non-voted shares are referred to as “broker non-votes” when the nominee has voted on other non-routine matters with authorization or voted on routine matters. These shares will be counted towards determining whether or not a quorum is present, but will not be considered entitled to vote on the “non-routine” proposals.

**Please note that brokers, banks, and other nominees cannot use discretionary authority to vote shares on the election of directors if they have not received specific instructions from their clients. For your vote to be counted in the election of directors, you will need to communicate your voting decisions to your broker, bank, or other nominee before the date of the meeting.**

Broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained. Abstentions have no effect on the election of directors. For the purpose of determining whether stockholders have approved all other matters, abstentions have the same effect as votes against such matters being voted on at the meeting.

**Is your vote confidential?** Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to the transfer agent and are handled in a manner that protects your voting privacy. Your vote will not be disclosed except as needed to permit the transfer agent to tabulate and certify the vote and as required by law. Additionally, all comments written on the proxy card or elsewhere (including through Internet voting) will be forwarded to management. Your identity will be kept confidential, unless you ask that your name be disclosed.

**What constitutes a quorum?** The presence at the annual meeting, in person or by proxy, of holders of a majority of the issued and outstanding shares of common stock as of the record date is considered a quorum for the transaction of business. If you submit a properly completed proxy or if you appear at the annual meeting to vote in person, your shares of common stock will be considered part of the quorum. Directions to withhold authority to vote for any director, abstentions, and broker non-votes will be counted as present to determine if a quorum for the transaction of business is present. Once a quorum is present, voting on specific proposals may proceed. In the absence of a quorum, the annual meeting shall be adjourned.

As of the close of business on August 15, 2017, 1,523,791 shares of common stock were issued and outstanding. The common stock is our only class of securities entitled to vote, each share being entitled to one non-cumulative vote.

**How many votes are needed to approve each proposal?** The Company has adopted a majority voting policy for the election of directors. Each director will be elected by the vote of a majority of the votes cast, meaning that the number of shares voted “for” a director’s election exceeds 50% of the number of votes cast with respect to that director's election, and includes votes to withhold authority; provided that in the event the number of nominees exceeds the number of directors to be elected, such as in the case of a contested election, the directors shall be elected by the vote of a plurality of the votes properly cast at the annual meeting. Abstentions and broker non-votes will not be treated as votes cast and therefore have no effect on the proposal. The approval of the measure to ratify our independent auditors requires the affirmative vote of a majority of the votes cast at the annual meeting. Abstentions and broker non-votes will not be treated as votes cast and therefore have no effect on the proposal.

#### **Where can I find the voting results of the Annual Meeting?**

We intend to announce the preliminary voting results at the annual meeting and will publish the final results in a press release within four business days of the annual meeting.

#### **Board of Directors and Committees of the Board of Directors**

Our business is managed under the direction of the Board. The Board consists of a single class of directors who are elected for a term of one year, such term beginning and ending at each annual meeting of stockholders. The Board presently consists of five members. There are no family relationships among any of our directors or executive officers.

**Audit Committee.** We have a separately designated standing audit committee. The current members of our Audit Committee are Gregory Hradsky, Rory Cowan and Jeffrey Wald. The Board determined that each member of the Audit Committee is "independent" under Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the

“Exchange Act”), is “financially literate,” and that Mr. Hradsky qualifies as an Audit Committee Financial Expert under the Exchange Act.

The Audit Committee hires our independent registered public accounting firm and is charged with the responsibility of overseeing our accounting and financial reporting process. In the course of performing its functions, the Audit Committee reviews, with management and the independent accountants, our internal accounting controls, the annual financial statements, the report and recommendations of the independent accountants, the scope of the audit (if any) and the qualifications and independence of the auditors. A copy of the Audit Committee charter is available on the Company’s website at [www.costartechnologies.com](http://www.costartechnologies.com).

***Nominating and Corporate Governance Committee.*** The Nominating and Corporate Governance Committee currently consists of Jared Landaw, Rory Cowan and Jeffrey Wald. The Board has determined that each member is “independent” as such term is defined under the rules of the Nasdaq Stock Market.

The Committee is responsible for identifying individuals who are qualified to become directors, recommending nominees for membership on the Board and committees of the Board, promulgating minimum qualifications that it believes must be met by director nominees, establishing policies for considering director candidates recommended by stockholders, implementing procedures for stockholders in submitting recommendations for director candidates and developing and recommending to the Board corporate governance guidelines.

The Committee has established a process for identifying and evaluating nominees for director. The Committee may solicit recommendations from any or all of the following sources: non-management directors, the Chief Executive Officer, other executive officers, third-party search firms or any other source it deems appropriate. The Committee will then, without regard to the source of the initial recommendation of such proposed director candidate, review and evaluate the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate. While we do not have a stand-alone diversity policy, in considering whether to recommend any director nominee, including candidates recommended by stockholders, we believe that the backgrounds and qualifications of the directors, considered as a group, should provide a significant mix of experience, knowledge and abilities that will allow our Board to fulfill its responsibilities. Upon identifying individuals qualified to become members of the Board, consistent with the minimum qualifications and other criteria approved by the Board from time to time, and provided that we are not legally required to provide third parties with the ability to nominate individuals for election as a member of the Board, the Committee will then recommend that the Board select the director nominees for election at each annual meeting of stockholders.

The Committee will consider director candidates recommended by our stockholders. A stockholder wishing to propose a nominee for inclusion in the proxy statement should submit a recommendation in writing to our Secretary not later than 90 days nor earlier than 120 days prior to the anniversary of the prior year’s annual meeting, setting forth, among other things required by the Committee’s charter, (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee for the past five years, (iii) the consent of the proposed director candidate to be named in the proxy statement relating to our annual meeting of stockholders and to serve as a director if elected at such annual meeting and (iv) any additional information regarding director nominees pursuant to the rules of the SEC. The Committee anticipates that it would use all of the above sources to identify candidates in the future.

Copies of the Nominating and Corporate Governance Committee charter and the Corporate Governance Guidelines are available on the Company’s website at [www.costartechnologies.com](http://www.costartechnologies.com).

***Compensation Committee.*** The Compensation Committee currently consists of Rory Cowan, Gregory Hradsky and Jared Landaw. The Board has determined that each member is a “non-employee directors” under Rule 16b-3 of the Exchange Act and an “outside director” as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee sets the compensation of our Chief Executive Officer and other senior executives, administers our equity incentive plans and executive compensation programs, determines eligibility for, and awards under, such plans and programs, and makes recommendations to the Board with regard to the adoption of

new employee benefit plans, equity incentive plans and executive compensation plans. A copy of the Compensation Committee charter is available on the Company's website at [www.costartechnologies.com](http://www.costartechnologies.com).

**Strategic Committee.** In 2009, the Board created a Strategic Committee in order to explore various strategic alternatives to improve stockholder value, including, without limitation, a strategic acquisition, merger or sale of all or a portion of the Company. The Strategic Committee consists of Jared Landaw, Gregory Hradsky and James Pritchett, with Mr. Pritchett being a non-voting member of the committee. Consistent with its mandate, the Strategic Committee meets from time to time in order to review and evaluate various strategic options available to the Company.

### **Code of Business Conduct and Ethics**

The Company has a Code of Business Conduct and Ethics which applies to our directors, officers and employees. Any amendments or waivers to the Code will be publicly disclosed on a timely basis to the extent required by the applicable rules and regulation of the SEC, or on our website within 4 business days. A copy of the Code of Business Conduct and Ethics is available on the Company's website at [www.costartechnologies.com](http://www.costartechnologies.com) or can be obtained, free of charge, by writing to Costar Technologies, Inc., 101 Wrangler Drive, Suite 201, Coppell, Texas 75019; Attn: Secretary.

### **CEO Succession Plan**

The Board has adopted a CEO Succession Plan. The purpose of the plan is to help ensure organizational stability and leadership continuity at the CEO level which is critical to the ongoing successful operations of our Company. The plan also sets forth procedures for the appointment of an acting CEO in the event of an unplanned and extended absence of the CEO.

### **Minimum Stock Ownership Policy**

The Board has adopted a minimum stock ownership guideline policy for the Company's directors and members of senior management. The policy provides that each person subject to the policy must own shares of common stock of the Company meeting certain minimum value thresholds established by the Nominating and Corporate Governance Committee. Further details of the plan are available on the Company's website, [www.costartechnologies.com](http://www.costartechnologies.com).

### **Compensation Claw Back Policy**

The Board has adopted an incentive compensation clawback policy. The policy is designed to ensure that incentive compensation is paid based on accurate financial and operating data and the correct calculation of the Company's performance against incentive targets. The policy permits the Company's Compensation Committee to seek the recovery of incentive compensation in the event of fraud or misconduct or a restatement of the financial or operating results of the Company that, in either case, results in the payment of inflated incentive compensation. The Company's clawback policy is available on the Company's website, [www.costartechnologies.com](http://www.costartechnologies.com).

### **Stockholder Communication with Board Members**

We maintain contact information for stockholders, both telephone and email, on our website under the heading "Contact Us." By following the "Contact Us" link, a stockholder will be given access to our telephone number and mailing address, as well as links for providing email correspondence to our management. Communications specifically marked as a communication for our Board of Directors will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications sent directly to us via telephone, facsimile or email for our Board of Directors will be forwarded to the Board by an officer.

## EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

### Compensation Discussion and Analysis

The Company's executive compensation programs for the year ending December 31, 2016, which applied to the Company's Named Executive Officers (as hereinafter defined), emphasized the achievement of revenue, profitability and strategic goals. These programs, which were established by the Compensation Committee with the assistance of an executive compensation consultant, seek to provide a balanced mix of short and long-term incentive compensation combined with a competitive base salary. A large portion of total compensation is tied to the achievement of performance goals based on financial, operational and strategic metrics established annually by the Compensation Committee of our Board of Directors. Our 2016 program included four key components:

- **Base Salary.** Base salaries for the Company's executive officers are based upon the scope of the individual's responsibilities, taking into consideration competitive market compensation for the industry and geography. Base salaries for the President and Chief Executive Officer and Chief Financial Officer increased 0.0% and 1.0% in 2016 compared to 2015, respectively. The Company believes the base salaries of its executive officers are in line with its competitors.
- **Non-Equity Incentive Plan Compensation.** The Company established a bonus plan based upon the achievement of specific short-term financial and operational performance metrics for the Company's executive officers. For 2016, the Company achieved the financial performance metrics established as part of the executive bonus plan. As a result, incentive-based compensation bonuses were earned by the Named Executive Officers for the year ending December 31, 2016.
- **Long-Term Equity-Based Compensation.** The Company believes that the issuance of long-term equity incentive grants are an integral part of its overall executive compensation program and that the Company's long-term performance will be enhanced through the use of equity awards that reward executive officers for maximizing stockholder value over time. The Company adopted the 2014 Omnibus Performance Award Plan (the "Plan"), which authorizes the grant of awards relating to 150,000 shares of the Company's Common Stock. In June 2016, the Compensation Committee of the Board of Directors granted restricted stock awards to the President and Chief Executive Officer and the Chief Financial Officer pursuant to the provisions of the Plan. All of the 2016 awards are subject to a two year time-vesting schedule and 75% are subject to the achievement of performance targets relating to EBITDA growth for the years ending December 31, 2016 and 2017. The Summary Compensation Table below reflects the fair market value of the vested awards based upon the time vesting schedule at December 31, 2016.
- **Retirement, Health and Welfare Benefits and Other Perquisites.** The President and Chief Executive Officer is entitled to a specified retirement/severance benefit pursuant to his employment agreement as detailed below. Executive officers are eligible to participate in the Company's employee benefit plans offered to all of its employees, including medical, dental, group life, disability, accidental death insurance and the Company's sponsored 401(k).

The individual compensation of non-executive officers and other employees is determined by our executive officers or non-executive officers, depending on the employee, based upon the compensation plan approved by our Compensation Committee. Furthermore, these same executive officers make recommendations with respect to equity incentive awards to people at these levels, which are then submitted to our Compensation Committee for final determination. The Compensation Committee determines the compensation of our named executive officers in executive session.

## **Employment Contracts and Termination of Employment**

Effective January 1, 2015, the Company entered into an employment agreement with Mr. Pritchett whereby Mr. Pritchett has been engaged to continue to serve as our President and Chief Executive Officer. The agreement has an initial two year term ending December 31, 2016. The initial two year term may be extended for additional one year periods upon the mutual consent of the parties. The agreement provides that Mr. Pritchett is to receive (i) an initial base salary of \$362,500 per annum and (ii) a performance bonus in an amount not to exceed 115% of current base salary determined pursuant to performance goals and other terms and conditions established by the Board of Directors. Mr. Pritchett is also entitled to at least 5 weeks paid vacation and reimbursement of travel and business expenses incurred in connection with the performance of his duties. Pursuant to the terms of the agreement, we granted Mr. Pritchett 7,000 restricted shares of common stock upon execution of the employment agreement and upon the first anniversary of the date of the agreement. The agreement is subject to early termination as follows: (a) by us (i) due to Mr. Pritchett's death or total disability, (ii) without "cause" or (iii) for "cause," and (b) by Mr. Pritchett for "good reason." "Cause" and "good reason" are defined in the agreement. In the event that the agreement is terminated by us by reason of the death or total disability of Mr. Pritchett or for "cause," or by Mr. Pritchett other than for "good reason," then we shall be obligated to pay Mr. Pritchett (or his spouse or estate, as the case may be) (a) any accrued but unpaid base salary for services rendered to the date of termination, (b) any accrued but unpaid reimbursable expenses, (c) any accrued but unpaid vacation time and (d) for each full bonus eligible year worked by Mr. Pritchett, any performance bonus due and payable under the agreement. In the event the agreement is terminated by us without "cause," then we shall be obligated to pay Mr. Pritchett (a) any accrued but unpaid base salary for services rendered to the date of termination, (b) any accrued but unpaid reimbursable expenses, (c) any accrued but unpaid vacation time, (d) Mr. Pritchett's base salary for a period of twelve months following the date of termination and (f) for each full bonus eligible year worked by Mr. Pritchett, any performance bonus due and payable under the agreement. In the event that the agreement is terminated by Mr. Pritchett for "good reason," then we shall be obligated to pay Mr. Pritchett (a) any accrued but unpaid base salary for services rendered to the date of termination, (b) any accrued but unpaid reimbursable expenses, (c) any accrued but unpaid vacation time, (d) Mr. Pritchett's base salary for a period of twelve months following the date of termination and (e) for each full bonus eligible year worked by Mr. Pritchett, any performance bonus due and payable under the agreement. Mr. Pritchett is also bound by various restrictive covenants, including a confidentiality, non-competition and non-solicitation covenant.

## PROPOSAL 2

### INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our Board of Directors has appointed RSM US LLP as our independent registered public accounting firm for 2017. We expect a representative of RSM US LLP to attend the 2017 Annual Meeting of Stockholders. Such representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

#### Stockholder Ratification

We are not required to submit the appointment of RSM US LLP for ratification by our stockholders. However, we are doing so as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the audit committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such an appointment would be in our best interests and that of our stockholders.

**The Board of Directors, based upon the recommendation of the audit committee, unanimously recommends a vote *FOR* the ratification of the appointment of RSM US LLP as the independent registered public accounting firm of the Company for 2017.**

(2) These consist of fees billed for professional services for tax compliance, tax advice and tax planning.

#### Pre-Approval Policies and Procedures of Audit Committee

The Audit Committee has responsibility for the appointment, compensation and oversight of the work of the independent accountant. As part of this responsibility, the Audit Committee must pre-approve all permissible services to be performed by the independent accountant.

The Audit Committee has adopted an auditor pre-approval policy which sets forth the procedures and conditions pursuant to which pre-approval may be given for services performed by the independent auditor. Under the policy, the Committee must give prior approval for all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwritings) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided. Prior approval need not be given with respect to the

provision of non-audit services if certain “de minimis” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. The Audit Committee may delegate to one or more of its members authority to approve a request for pre-approval provided the member reports any approval so given to the Audit Committee at its next scheduled meeting.

#### **ANNUAL REPORT**

In March 2010, the Company terminated the registration of its common stock under the Exchange Act. As a result, the Company’s obligation to file reports under the Exchange Act, including an annual report under Form 10-K, has been suspended. The Company will continue to make unaudited quarterly and reviewed or audited annual financial information available to its stockholders by press release and through its website located at <http://www.costartechnologies.com>.
